Risk assessment and responsibilities.

Be aware of duties as set out for all people who are mandated persons.

Be very vigilant in terms of doors closed and take roll to manage attendance and numbers within the class.

Two teachers present in class to avoid any teacher being left alone. All classes are group classes so being alone with a child is unlikely.

Toileting is managed by one teacher escorting the child to the door of the bathroom and waiting outside and escorting them back to class.

Do our utmost to get to know the children as quickly as possible and look out for signs of distress or upset.
